Respect, Love, and Education Through Christ

St. Rose of Lima Family Day

St. Rose of Lima participates in four "Family Days" each year. The first "Family Day" of the school year was on Friday, November 12th. The students, PreK -3 to 8th grade, were assigned families with the grade 8 students acting as the leaders of each family. The 8th grade students take on the responsibility of overseeing each activity, thereby building leadership skills. The first activity was to make a "Family Flag" to represent their family. Each family was creative in designing the flag and developing a family name.

To celebrate the Christmas season on "Family Day" each family selected a Christmas carol, which was then performed at a "Family Day" Christmas assembly, Friday, December 17th. "Family Day" began 8 years ago as a way to promote a spirit of community. It was named "Family Day" in celebration of our St. Rose of Lima family. For the older students it fosters leadership skills and caring for others; for the younger students a sense of pride in belonging
