

Saint Rose of Lima Academy

Respect, Love, and Education Through Christ

The students at St. Rose concluded their Catholic Schools Week celebration with the 8th annual "Multicultural Day." Traditionally, this event enables us to learn about cultures in other countries. This year we chose to learn about various traditions, food, songs, dances, and activities within the United States of America!

The states selected ranged from sea to shining sea, with Massachusetts, Pennsylvania, Florida, Texas, Tennessee, Kentucky, Illinois, Louisiana, Michigan, Hawaii, as well as our own, New Jersey! The presentations were: grade 5 students, the Kentucky Derby; grade 1 square dancing; the kindergarten students saluted Motown with a rendition of "Ain't No Mountain High Enough!"

The favorite part of the celebration was the sampling of the food. Among the most popular dishes were Chicago Deep Dish Pizza, Boston Cream Donuts, and Astronaut Ice Cream. An educational and fun time was had by all!
