

Project #1 BOOK JACKET (on a work of fiction)

For this project, you must redesign the book jacket (paper cover) of your book.

- Front cover should include: A newly designed (by you!) hand-drawn and colored cover with the title, author, and illustrator included
- Back cover should include: A 3-5 sentence recommendation (your thoughts about the book) and your name
- Inside Front should include: A short summary of the book (one to three paragraphs)
- Inside Back should include: Two hand-drawn pictures with captions representing important events in the book
- All sections of the book jacket should be neat and colorful

Project may not be completed in pencil and should not have spelling errors.

Project #2 PICTURE BOOK (on a work of non-fiction)

For this project, you will select four to six important events from the life of your chosen person and create a picture book that represents the events in chronological order.

- Design a colorful cover that includes the title, author, a picture of the chosen person, and your name
- Include 1 page for each of the important events
- Each page must include a hand-drawn, colorful, neat picture
- Each page must include a paragraph that describe the event
- The picture book should be neat and colorful

Project may not be completed in pencil and should not have spelling errors.
